MOUNTING SOLUTIONS
INSTALLATION SERIES

## Flat panel mounting with maximum user friendliness

small or tall, height does not matter: easily adjust the monitor to accomodate the best working height

fits any screen: combine with one of our universal mounting brackets

solid or two-tone: choose stylish black or luxurious aluminium and black

keep everything nearby: mount power sockets, audiovisual control panels, USB ports and more to the 4-way integration panel (universal built-in size; 60 mm)
keep cables neatly organised: hide them within the column, behind a stylish plastic cover strip that is easily cut to size
