

Rental mount 15 cm

002.4600 Rental mount 15 cm for projector max. 500 kg

This rental mount makes it quick and easy to install projectors max. 500 kg in a truss. It offers a tilt function of +15° until -15° and a further fine adjustment can be executed of +3° until -3°. The projector should be fitted with a projector specific bracket to the set, ask the SmartMetals team for more information. Due to the mounting pattern 100 x 100 mm, it is standard suitable for most Panasonic, Barco and Lang stack frames.

► This product is **TÜV certified and meets EC and DGUV requirements**

max. load without safety cable 250 kg

max. load with safety cable 500 kg
