

Tiltable projector platform

063.0150 EOL | Tiltable projector platform 600 x 600 mm for 062.2000/062.2200

The projector platform has size 600 x 600 mm, making it suitable for almost any projector. The platform has a tilt function from -15° till +15°. Please combine this platform with a SmartMetals stand with back to back base plate (062.2200 or 062.2000). The platform has a cable entry, from which you can run all cables through the cable duct from the stand. After installation the projector can be secured with straps to the platform. The platform and stand can be compactly stored in a flightcase to easily transport your solution in a safe way.

**This product is "End of Life" and will no longer be produced.
It can be supplied as long as stock lasts.**
