

Projector bracket

152.1030-0x Bracket Benq, Epson, Hitachi, NEC, Panasonic, Sony, Vivitek, i3 projector for 152.1000-77/87/101

This bracket is custom-made for your type and brand of projector. With the design, SmartMetals also takes into account the position of the lens and the projector's centre of gravity. A lot of time and money can be saved while using projector specific brackets at large installations with the same projector.

Projector bracket
